

MAUNA LANI RESORT

MAUNA LANI RESORT OFFERS OUTSTANDING GOLF GROUP EXPERIENCE

Located on the Kohala Coast of Hawaii's Big Island, Mauna Lani Resort's - Francis H. I'i Brown golf courses offer 36 holes of fun, yet challenging, championship golf. The diversity in course design between the North course and South course allows for two unique and unmatched group golf experiences.

The North Course, although a Hawaiian resort course, is fast becoming known as Mauna Lani Resort's tournament golf course. Slightly more difficult than the South course, the North displays a much different face of Hawaiian golf. Built on a lava bed much older than the Kaniku flow (on which the South course lies), it is characterized by rolling terrain punctuated by Kiawe (mesquite) forests. trees often come into play. Number 17, a par three tucked into a natural lava amphitheater, is another one of Mauna Lani Resort's signature holes.

Mauna Lani Resort South Course, renowned as the former home to the annual Senior Skins Game from 1990 - 2000, snakes through the stark, rugged a'a lava of the prehistoric Kaniku lava flow. The challenging South course offers the golfer a panorama of mountain and ocean views. The South Course is also home to No. 15, one of the most photographed over-the-water golf course holes in the world. Both courses are designed to offer the perfect combination of fun and challenge to provide your group a golf experience beyond expectation.
