

Mauna Lani Bay Renovation

Mauna Lani Bay Hotel & Bungalows has announced plans for an exciting \$100+ million transformation of the hotel. Our vision is to be the luxury choice on the island of Hawaii, while continuing our renowned Hawaiian hospitality and cultural traditions for which Mauna Lani is known. Our renovation is scheduled to begin on October 1, 2018 and continue for 14 months.

We anticipate extensive construction that would impact our guests' experience, so we have made the difficult decision to close the hotel during the project. In the near future we will be launching a website with renderings that will showcase the beauty and serene elegance that will define Mauna Lani.

We look forward to sharing Mauna Lani's new vision with you.
